

THE CHURCH

"THE BLURRED CRUSADE" AUSTRALASIAN AUTUMN TOUR 1982

THE CHURCH NEWSLETTER NUMBER 5.

THE CHURCH welcome all the new readers to our regular newsletter and take this opportunity to explain a few things.

There is no Fan Club in existence and will not be. Marty, Peter, Steve and Richard feel they would rather read all the letters that come in and keep in touch via this free newsletter. From time to time, give-a-way badges, stickers and other things, such as T-Shirts and other items, which are also for sale, will be available.

NEWS

The Blurred Crusade has stormed through Brisbane and Sydney with full houses and great audiences and the Band are currently in Melbourne. The album is officially gold and this week it is top 10 all over Australia, thanks to you.

The next single to be released in April is "When You Were Mine" with a new instrumental on the B side.

The 12 minute movie "The Blurred Crusade" will be in the cinemas in April, so watch for it.

Overseas, the first album is charting in Canada and Sweden, and also in American cities like Long Beach, Atlanta and Boston.

On April 5th, Steve and Peter will fly to America and Canada for a quick Public Relations tour and also to look around.

They return on April 12 to commence the most exciting tour of their careers.

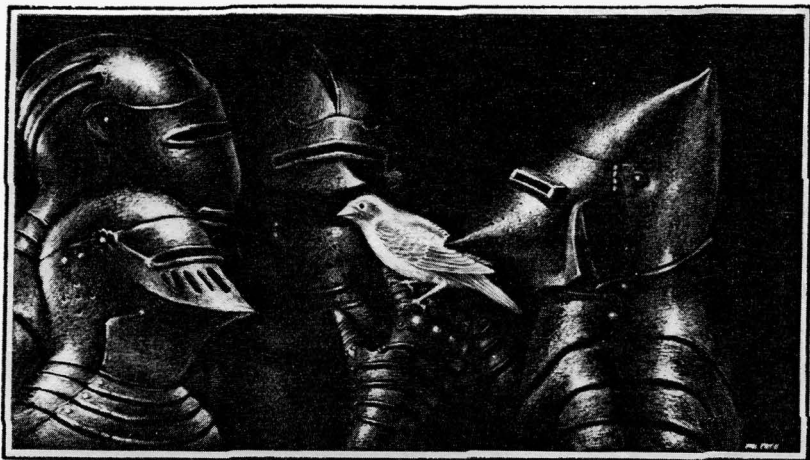

A special double bill concert, MOVING PICTURES & THE CHURCH, together in concert! -
