"THE BLURRED CRUSADE" AUSTRALASIAN AUTUMN TOUR 1982

MAY 1982

THE CHURCH NEWSLETTER

NUMBER 6

Well what a month it's been!

Steve and Peter had a great time in America and Canada and were pleasantly surprised at the amount of people who knew all about Australian music, even bands that haven't had releases over there.

This month we welcome people from England, Canada, Sweden, Germany and The USA to our newsletter.

Thank you for your support.

All those people who wrote in for stickers and badges, we are sincerely sorry if you only received a sticker, as the demand was so overwhelming, that we've run out of badges, but we are planning a little surprise shortly to make up for it.

Well The Church/Moving Pictures Tour was over the top. Totally sold out. What an event! The band are still raving about it, 45,000 people and we hope you had a good time, cause we did.

2MMM-FM and EON-FM will be simulcasting 30 minutes of The Church at the sydney show on Nightmoves in late June.

Steve would like to thank everyone who has written in their support during the media blitz he received.

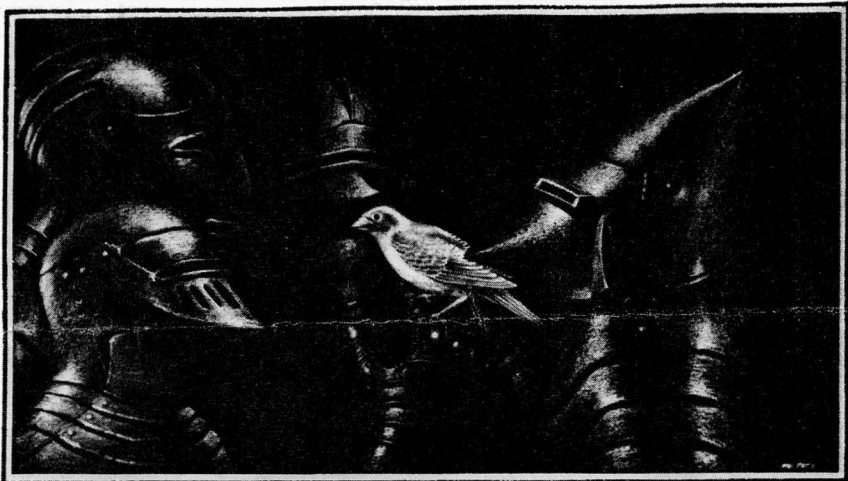

On the record front, the new single "When You Were Mine" is charting in Sydney and hopefully other cities will start playing it shortly. If you haven't heard it on the radio, ring them and request it.

The Tour finishes on June 7. This week we are playing in Tasmania and then Melbourne and Sydney, but Queenslanders, don't worry, we are definitely doing a Brisbane show sometime in June.
